

A still life composition of spa ingredients on a dark wooden surface. In the top left, a glass bottle with a stopper contains yellow oil. In the center, a wooden bowl is filled with white, chunky salt crystals. To the left of the bowl, a wooden scoop holds a smaller amount of the same salt. In the bottom right, a bar of light-colored soap is tied with a green olive branch. A white, fluffy towel is draped across the top right. The entire scene is framed by a thin white border.
